METADEFENDER

Kiosk™ Stand 3

The MetaDefender Kiosk Stand 3 is a versatile enhancement for VESA mountable MetaDefender Kiosk appliances, expanding the accessibility, presentation, and operability of Kiosk solutions.

VESA-mountable Kiosk appliance not included

Key Features

Ease-of-Use
The Kiosk stand is easily compatible with all VESA-mountable Kiosks, including MetaDefender Kiosk Desktop™, MetaDefender Kiosk Mini™, and MetaDefender Kiosk Mobile™.

Port Expansion
Increase the types of media your existing Kiosk can scan by adding Blu-Ray, DVD, CD, Floppy, SD, MicroSD, Mini SD, and CF ports.

Lockable Bay
Lock devices in place with the Kiosk Stand for more secure scanning.

Customizable
Customize the Kiosk Stand with your organization's logo and colors for a more personalized touch in shared spaces.

METADEFENDER KIOSK STAND

Benefits

Increased Accessibility
With 10+ media types, including Blu-Ray and floppy diskettes.

Deployment Flexibility
Meets various deployment scenarios while integrating with all VESA-mountable MetaDefender Kiosks.

High Durability
Engineered with ergonomic principles, it is built to withstand harsh industrial conditions such as vibration, dust, and temperature fluctuation.

Built-in Cable Management
Integrated cable routing to keep power and data cables organized and secure.

Meets Advanced Requirements
Expands the functionality of MetaDefender Kiosk to meet advanced security plans and strategies.

Summary

OPSWAT MetaDefender Kiosk stand expands the operability and presence of existing MetaDefender Kiosk removable media risk mitigation solutions, combining durable hardware with OPSWAT's industry-leading security software. The Kiosk stand adds support for additional media types to any VESA mountable MetaDefender Kiosk.
