Key Features

Streamlined License Management

View usage, access license details, monitor expiration, and proactively plan renewals.

Role-Based Access Control

Safeguard sensitive data with granular RBAC and activity logs.

Comprehensive Support Experience

Find instant answers with our AI chatbot, connect with a live agent, or submit and manage your support cases – all in one place.

Timely Product Updates

Access product installers instantly and get notified about new versions. Always have the right version for optimal performance and protection.

Real-Time Status Dashboard

Instantly view real-time license health snapshots, end-of-life alerts, critical notices, and learning progress – all front and center the moment you log in.

Integrated Learning Hub

Track progress, climb tiers, unlock badges, and pick up where you left off – all with seamless access from integrated OPSWAT Academy dashboard.

Easy Access

Navigate OPSWAT's cloud services seamlessly with single sign-on.
